Inside My Body

Age: 5+yrs
Risk: low

{Challenge}

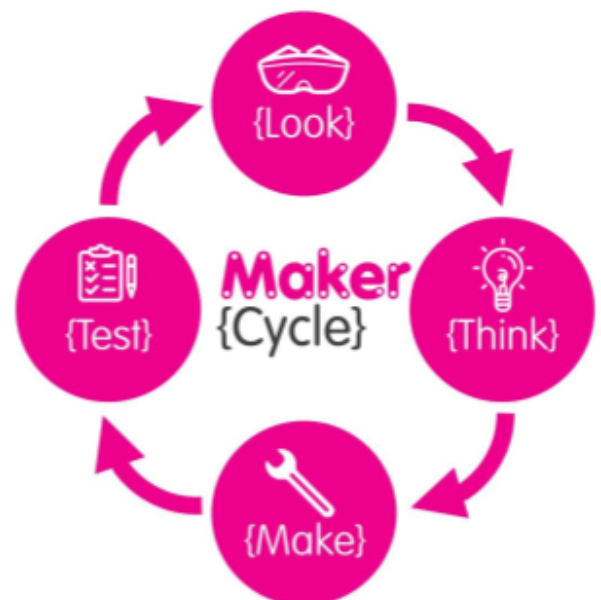

Create a life size chalk drawing of your body and the organs which are inside of you.

What you need

- Chalk
- A piece of ground outdoors to draw on

Use the Maker{Cycle} to create like a Maker:

- **Look** at your body, do you know what is inside of you?
- **Look** up an image of the human organs.
- **Think** about what all the different organs do. Aren't our bodies incredible!?
- **Make** a chalk drawing of your own body!
- With an adult find somewhere outside that you have permission to draw on.
- Lay on the ground and get your helper to draw around you with chalk.
- Now use your chalk to draw the organs that are inside of you.
- Can you label them?

{What is an organ?}

An organ is a part of the body that performs a vital function. Which organ controls our breathing?
